

Sage Series Superbar

C20m x2 | C20m x3 | C20m x2, C38m x1 | C38m x2 | C38m x3

For the ultimate in sound reproduction, fit-and-finish, and quality craftsmanship there is only one choice, Sage Series Superbars.

Sage Series Superbars are available in custom lengths and colors to match any decor and/or environment. The Sage Series Superbars must be used with active outboard crossovers and bi-amplification. The exceptional low-frequency response of the Sage Series Superbars allows for it to be used alone or with a Wisdom Audio RTL subwoofer(s).
