

DEVIALET MANIA

ROSE BLOOM

EXCLUSIVE EDITION

ROSE BLOOM. INTO THE SUNSET.

In Rose Bloom, Devialet Mania invokes the feeling of here, now, forever—as only sunsets can. Luminous pink mesh blazes with the scorched orange of the handle and woofers. Experience 360° sound that adapts in real time with a cross-stereo architecture. Complete with a Cocoon carrying case and modular outdoor attachments. Chase summer moments.

30 Hz - 20 kHz FREQUENCY RESPONSE

Devialet-Invented Technology

S A M® Adapts in real time for ultra-precise phase and amplitude reproduction.

A S C Provides real-time acoustic mapping to adapt audio playback to the environment

 Cross-stereo architecture ensures stereo sound from anywhere around the speaker.
