

HADENYS

Data sheet

MADE IN
FRANCE

Made in France in Focal's workshops, the Hadenys wired open-back headphones combine contemporary design and high-fidelity sound for a listening experience that is rich in sensations while being at home. Their exclusive Focal 1⁵/₈" (40mm) Aluminium/Magnesium speaker drivers offer remarkable depth of sound and precision; the sound is warm and enveloping. In addition to their performance, Hadenys stand out for their aesthetics and shades of brown, a colour as on-trend as it is timeless. To round off the listening experience, the magnesium yoke has been designed to fit the head perfectly and provide optimal comfort.

Key point

- Open back passive headphones for home use
- Patented Focal speaker driver technology and manufactured in France, for hi-fi sound
- Lightweight, comfortable headphones, so you can enjoy long periods of listening
